Safeguarding

The school will consistently operate on the basis that safeguarding and promoting the welfare of children is everyone's responsibility. The school will ensure that its wraparound childcare provision is a safe and happy place for children, that parents/carers feel confident that their child is well looked after and that robust safeguarding arrangements are in place.

The school will ensure that all members of staff and volunteers are suitable to be working with children in wraparound care – anyone without the appropriate checks will be supervised by a member of staff who is permitted to undertake regulated activity with children.

Child protection and safeguarding extends to all wraparound care provision, and the school will ensure that all staff and volunteers involved in the provision of wraparound care have read and adhere to the Child Protection and Safeguarding Policy.

The Child Protection and Safeguarding Policy is provided to all staff and volunteers involved in wraparound care upon induction.

The school is aware that it is responsible for ensuring appropriate safeguarding policies and processes are in place, and that its arrangements for child protection will apply to any childcare provision provided by the school on-site.

The school will ensure that it:

- Follows the statutory guidance in KCSIE.
- Makes sure that all staff receive safeguarding training and that they know the identity of the DSL, or deputies, and how to contact them.
- Makes sure that all staff, including volunteers, have obtained an enhanced DBS check.
- Makes sure it has appropriate policies and procedures in place to identify and deal with safeguarding incidents quickly.
- Follows the safeguarding and welfare requirements within the EYFS statutory framework when children in Reception year or younger are being cared for.
- Ensures that volunteers are properly supported and given appropriate roles, and that it continues to follow the checking and risk assessment process set out in part three of KCSIE.
- Prohibits a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Any safeguarding matters will be raised with the DSL or deputy DSL as soon as possible. If the DSL or a deputy are not available before or after school hours, safeguarding issues will be raised with a named nominated person, who will then inform the DSL as soon as possible.

Where the school receives an allegation regarding an external provider that has utilised the school premises, the school will follow the usual safeguarding procedures set out in the Child Protection and Safeguarding Policy and ensure that the LA designated officer (LADO) is informed.

Inclusion

The school understands that, under the Equality Act 2010, it has a duty to:

- Eliminate unlawful discrimination, harassment and victimisation.
- Advance equality between different groups.

- Promote mental health and wellbeing.

The school will ensure it adheres to the statutory requirements set out within the Equality Act 2010, and acts in line with the school's relevant policies. The school will ensure that all wraparound provision makes childcare inclusive and accessible for all families, including children with SEND, medical needs and those considered vulnerable.

The school will make sure that wraparound childcare provision is inclusive and considers:

- Having an appropriate offer for children with SEND, including appropriate staff-to-child ratios

Charging

The school is aware that, for wraparound childcare to be accessible to parents/carers and be sustainable, it must be affordable.

The school will therefore:

- Make places as affordable as possible for parents/carers.
- Support and promote the use of government funding to help with the cost of childcare, such as Tax-Free Childcare and Universal Credit Childcare.
- Consider how parents/carers access and pay for wraparound care, such as through mobile applications, and how to administer the government childcare support schemes.
- Benchmark prices against other wraparound provision in the area.
- Determine what charges need to be made to maintain the financial viability of provision.
- Ensure the school has a charging and remissions policy in effect, which is published and available for parents' inspection.

All charges associated with wraparound childcare provision will be applied in line with the conditions set out in the school's Charging and Remissions Policy. In line with government guidance, any charge made in respect of individual pupils attending wraparound provision will not exceed the actual cost of providing the service.

Fire Procedures

Should the fire alarm sound, the club staff will take the children, the register, radio and any medical bags through the nearest fire exit and into the carpark where the register will be retaken to ensure all children are present.

First Aid/Accidents

It is important to realise that, at times, when children are playing “playground accidents” can happen. For this reason, our club staff are qualified in administering first aid. Any minor accidents will be dealt with and recorded in line with school procedures. The parent/carer will be informed when collecting children from the provision. In case of a more serious accident, the appropriate action will be taken, and the parents/carers will be informed immediately.

Illness

If children are ill during a session, the parent/carer will be contacted. If children suffer from an infection, or infectious illness the club will ask the parents/carers to collect the child immediately, with the understanding that children will only be accepted back at school and the provision when they are fit. Please note that 24hrs is the requested time for sickness/stomach bug. This action is necessary for the protection of other children from infections and illness. The provision needs to be informed if children are not attending due to illness.

If your child falls ill whilst at the club, we will use the provided contact information to notify you. It is vital that this information is kept up to date so please ensure that the Academy is informed of any changes to contact details immediately.

Medicine, inhalers and allergies

- No child should bring medicines or tablets or creams to our Academy.
- Medication should be brought in to the Academy’s main office/reception by the child’s parent/carer. The medication will be checked and parent/carer’s will need to fill in a ‘Medicine Consent’ form which gives us the permission to administer it.
- **Only medication that is prescribed to be taken 4 times daily will be administered in our Academy.**
- If your child has been prescribed a course of antibiotics but is well enough to return to school before it has been completed, they are welcome to come back to school. It is often possible to adjust the timings of the doses to fit around the school day.
- If your child requires regular use of or access to an inhaler, a ‘Health Care Plan’ will need to be completed to enable supervised access to be given. If your child is asthmatic, please complete the relevant form, from the Academy’s front office/reception, and provide an inhaler to be kept in school with your child’s name and class clearly written on it.
- Please ensure that staff are made fully aware of **any** allergies so that contact with any irritants can be avoided. As there will be snacks available during the club, it is important that you keep the club up to date to ensure the safety of all. Please be aware that we are a nut free school.
- If you have any queries or concerns about medication, please arrange an appointment to discuss the matter with our medical team before your child starts school. In this way we can hope to avoid potentially distressing situations.
- Any inhalers will be taken to the club and then returned to the classroom once the club has ended. Please ensure that if your child needs to be given any medication during the time, they are due in the club, you inform the Academy well in advance so this can be accommodated via the Health Care Plan.

Food & Snacks

The provision offers a variety of snacks: fresh fruit, toast, a range of cereal, breadsticks, yoghurts etc. Along with water or no added sugar juice. Parents/Carers have the option to provide their child with a packed lunch if they wish.

Children have access to drinking water throughout the sessions.

Any food allergies/dietary requirements etc must be informed at the time of obtaining a school place or as soon as there are any medical changes and updated by the parents/carers via the Arbor system- contact the main school office for further information.

Staffing

The school will identify the most appropriate people to deliver wraparound, taking into account existing staff contracts and arrangements, and the mix of skills and experience required.

The school is aware that the staff to child ratios needed will be dependent on the age of children using the wraparound childcare provision and the qualification levels of the staff employed.

When determining staffing levels, the primary concern of the school will be in ensuring the safety and welfare of children. The school will take into consideration the following:

- How many staff are needed to ensure children the safety and welfare of children
- The types of activity children will be engaged in
- The age and needs of the children, including SEND or medical needs
- Safeguarding requirements

The school will also ensure there is:

- A process for staff absences to ensure correct ratios.
- Enough staff to support a child who is taken ill or requires medical attention.

Where children who normally attend Reception class during the school day, – attend the wraparound provision, the school will ensure that sufficient staff are employed as stated in the 'Statutory Framework for the Early Years Foundation Stage (EYFS) for group and school based providers'.

Provision will cater for up to 40 children at a time.

Qualifications and training

The school is aware that, for school-aged children, there are no specific staff qualification requirements, and the school will therefore take responsibility for considering staff qualifications and training requirements.

When considering what level of training is required, the school will consider the individual needs of the children attending the provision and any requirements set out by the relevant regulatory bodies.

If children in Reception year or younger are present, at least one person who has a current paediatric first aid (PFA) certificate will be on the premises and available at all times – the certificate will be for a full course consistent with the criteria set out in Annex A of the Early Years Foundation Stage statutory framework.

Emergency evacuation and closure

In exceptional circumstances, such as adverse weather conditions, heating failure or serious illness, the wraparound care clubs will be closed.

In the case of an emergency, the following procedures will be followed:

- Emergency services will be contacted
- All children will be evacuated from the building and taken to the designated emergency assembly point – currently, this is in the car park/Front of school
- A member of staff will collect the register and check that all the children are at the emergency assembly point
- If a child is missing from the emergency assembly point, the emergency services will be informed immediately
- Parents/carers will be contacted and asked to collect their children
- All children will remain at the emergency assembly point until they are collected
- If a child has not been collected after undergoing the emergency procedure, members of staff will follow the uncollected child procedure

Behaviour

The school's wraparound childcare services will be subject to the existing Behaviour Policy and AntiBullying Policy; disciplinary issues will be reported to the parents of the child.

Repeated breaches of the Behaviour Policy may result in the child being barred from attending the wraparound childcare clubs.

Any outstanding fees paid by the parent will be returned if a child is barred from attending the provision.

The club staff are responsible for planning, setting up, tidying away and evaluating the suitability of the activities provided. Children are reminded to reuse and recycle as much as possible and to look after resources.

Children are to ask an adult who will supervise them to the toilet using the Year 2 toilets.

Equal Opportunities

The provision is committed to equality of opportunity for all.

We are committed to provide the appropriate support where necessary to ensure integration.

We recognise all children as individuals with different needs.

Inappropriate attitudes and behaviours will be dealt with sensitively.
